All the sparkling Corpinnat wines and still wines from Torelló have their origin in the vineyards of Can Martí. The 135 hectares, estate associated with the Torelló family since 1395 and located in the fertile region of Penedès. Torelló produces long aged Corpinnat sparkling wines; still wines from DO Penedès; marc and extra virgin olive oil.

CORPINNAT

TORELLO GRAN TORELLÓ GRANDES AÑADAS 2010

Varieties: 35% Macabeo, 34% Xarel·lo and 31% Parellada, from our vines in Can Martí estate.

Harvest: 2010. The harvest arrived a little late, because of the rain and low temperatures during the spring. It stretched the grape collection until the beginning of October. The harvest was very good for the white wines and the base wine for the sparklings, providing wines with very good acidity, fresh, dry, very aromatic, expressive and with moderate alcohol content.

Production: Every grape variety, harvested manually 100%, is transported to the presses in less than 15 minutes, in order to prevent any early oxidation or fermentation.

Once all the grapes have passed over the sorting table, we press each variety separately, softly, making use of just the first pressing, the “mosto flor” (free run juice). We have incorporated Inertys technology into our presses, which protects the must from oxidations during the grape-pressing phase. Second fermentation in bottle. Manual stirring.

Ageing: More than 100 months on the lees. Every year we do the *poignettage* (agitation of the bottle), which makes that the yeasts mix again with the wine. Due to that, the sparkling wine is being enriched in aromas and flavors. Manual clarification in *pupitres*. Disgorging without sugar addition.
